

which, in turn, will collapse the road. We also discussed the status of dues coming in. There is a handful of folks who have yet to pay, so if this is something you've forgotten about or put on the back burner, please take care of it. We have recorded one lien against a property in the community. This property is more than ten years behind in dues. Liens are not taken lightly by mortgage holders, and we are really reluctant to take that action. Mirka will provide a current treasurer report with this letter as well as statement for those who still need to pay dues.

Spring meetings in even numbered years are the time to nominate folks for the board positions of president, secretary and second vice-president. If you know someone who is willing to be nominated for these positions, please have them ready to submit at our upcoming meeting whenever that may be. Hopefully, we can get into the library before next fall. In the event that we are unable to have a spring meeting, we'll keep you posted on any and all news and find a way to take care of the nominations.

You can always call any board member or email any questions or concerns that you may have. Remember, you can also access updated by-laws and newsletters on our website at <https://blacksmithlake.com>.

With July 4th coming up, please remember fire danger.

For all of you who've helped out with pothole filling, who wave at neighbors coming and going and who are there for each other in this strangest of all times, THANK YOU! You are the heart of our community.

Sincerely,

Your Board
