Dec 31, 2020

Dear Neighbors,

Well, 2020 is almost over—hooray! It's been a sad year for many and a difficult year for most. The blessings that we can count, however, are numbered among amazing neighbors who are willing to help when called upon.

You elected Claudia, Joe, and Steve for another two-year term as officers of your board. Please keep in mind that each and every one of you has something unique and valuable to contribute, and when election time rolls around again, any and ALL nominations will be greatly appreciated. Speaking of nominations, 2021 is the year that nominations for treasurer and first vice-president will be made in the spring and voted on in the fall. Mirka Ramsey is currently our treasurer and Kevin Boyle is serving as first vice-president. You will be notified if we are able to have a meeting at the library. This would be optimal, but we certainly have learned how to “make do” using USPS. It's also a good idea to check the website for announcements (<https://blacksmithlake.com>). If Mirka doesn't have your email, please provide it by emailing to blacksmithlakeroadassoc@gmail.com, and you then can be notified of events vial group email.

Our road looks pretty darn good! We hired Sound Excavating to do the work. These folks were honest and did the job that we asked them to do. We were very pleased with the pricing, which was fair, and feel that we can continue to work with them in the future. We also had an amazing turnout for filling potholes a couple of weeks ago. You guys are the best.

Be advised that the mail thieves have returned. It would be a good idea if you can pick your mail up as soon after delivery as possible. These folks work in the dark, so

if you aren't able to pick up, it might be a good idea to ask a trusted neighbor or friend to get your mail for you.

We will be looking to update by-laws this coming year. We are not going to raise dues. We will keep you posted as we begin this work.

Please remember to check the website. If you need anything, feel free to reach out to your neighbors. Stay healthy, and hope to SEE you this spring.

Sincerely,
Your Board
