NOTIFICATION OF GENERAL FALL MEETING

Dear Neighbors,

Hello everyone. We've had a wonderful summer and are ready to welcome the turn of the seasons. Hopefully, next spring will offer warmer weather enabling us to have better outcome in our gardens next year. Our next general **meeting** is scheduled for **Thursday, October 20th at 6:30 P.M.**, at **the Timberline Library in Belfair**. Please plan to attend if possible. Elections for offices of president, second vice-president and secretary will be held. Nominees are Claudia Charlton, president, Steve Zemzick, secretary, and Jimi Bisser, 2nd vice-president. Nominations are still open.

As we enter the rainy season, it's imperative that we keep our driveway culverts clear of blockages to avoid water flow onto the road. Homeowners are responsible for maintaining their driveway culverts. The association will pull ditches as needed, but if you see a blockage on your property, please make sure that water can flow. Thank you.

Please be advised that at least two dogs in our neighborhood have recently been attacked by coyotes. One survived, and sadly, the other did not. Please be aware and make sure that your pets are secure. The coyotes are becoming bolder.

Sincerely,
Your BLRA Board

Claudia Charlton	President	360-552-8410
Grover Ramsey	1 st Vice-President	
Joe Dowding	2 nd Vice-President	
Steve Zemzick	Secretary	
Mirka Ramsey	Treasurer	360-372-2546
